**AATE**  
Association for Athletic Training Education

## Membership in AATE Delivers!

- 19.5 BOC CEUs designed specifically for AT educators included at no cost – \$1,950 in value.
- Free publicity for your AT program(s) – web hits, social media, and email – \$2,500 in value.
- Free premium booth at the AT Virtual Fair – 100-150 students have the opportunity to view your booth and interact with your staff – \$350 value.
- Free career center job listings – up to thousands in value depending on how many faculty jobs you post, but just one post saves you \$399.
- Discounted rate to the AATE Annual Symposium to earn 14.5 BOC CEUs – \$224 in value.
- And much more that can't be quantified as easily – see below!

## Community

- Networking with AATE members via the Members Forum.
- Alignment with AATE members who have compatible research interests and a forum for research collaboration.
- Leadership and engagement opportunities within the association.

**Your return on a \$2,000 investment in annual dues is a minimum of 171%, or \$5,423.**

## Advocacy for Program Recruitment

- Featured placement on the AT Each | Moment program finder linking directly to your institution's AT programs.
- Access to co-branded AT Each | Moment materials leveraging the site – providing information about athletic training.
- Engagement in virtual recruitment fairs to attract students to all levels of AT education – professional, residency, and post-professional.
- An amplified voice within the AT community through partnerships with other organizations.
- Connections to the National Association of Advisors for the Health Professions promoting AT as a healthcare profession.

## Resources

- Complimentary access to the AATE Foundations-to-Instructions Series of continuing education (CE) courses.
- Complimentary access to the AATE Conversations series of webinars; each conveys 1 CEU.
- Access to AATE Educational Resource Briefs and other publications and instruction tools.
- Members can apply for the Faculty Institute - a year-long program providing development in the areas of instruction, scholarship, leadership, and program administration.
- Free unlimited job postings for faculty recruitment.

## Leadership and Stewardship

- Participation in an organization that is task- and action-oriented to advance AT education and the athletic training profession.
- Your institution's voice to prioritize AATE work topics, research, and programming.
- An opportunity to engage in national-level service with varying time commitments.

## Membership in AATE Delivers!

- Create a focused research agenda that looks to the future of healthcare education and answers programmatic issues you face.
- Support the collaboration of researchers to answer questions important to the education of healthcare professionals.
- An opportunity to fulfill faculty scholarship requirements.

**Annual dues are \$2,000 and ROI is \$5,423.**

**It's an easy decision at a 171% return on your investment!**

## Join today!

Institutions and organizations that sponsor CAATE-accredited programs (professional, post-professional, residency) or DAT programs are eligible for membership. Membership provides access to program core faculty and 2 other individuals. The membership year is July 1 through June 30. Join anytime.

For more information on membership, contact us at [membership@aated.org](mailto:membership@aated.org) or visit [aated.org/memberships](http://aated.org/memberships)
