---

### BACKGROUND

The [AATE Research Network](#) exists to identify and execute the research agenda of the AATE and facilitate the collaboration of researchers to answer questions important to the education of healthcare professionals.

In 2020-2021, the AATE Research Network developed a strategic plan and a research agenda. Among the research agenda priorities was “Interprofessional Education & Collaborative Practice” with the global aim to enhance interprofessional and collaborative practice through professional and post-professional education.

### SCOPE OF WORK

This work group will characterize interprofessional and collaborative practice and identify measures used to quantify and qualify interprofessional and collaborative practice in athletic training education.

### ANTICIPATED COMMITMENT

**Start Date:** February 1, 2022      **End Date:** December 31, 2022  
**Time Commitment:** 5-10 hours per month depending on expertise and role

### DELIVERABLES

The Research Group will provide to the Network:

- A specific research plan with timeline
- Dissemination plan (products and timeline)
- Dissemination deliverables

### REPORTING PLAN

The research group Co-Project Managers will provide updates at regularly-scheduled AATE Research Network meetings.

### SUPPORTING RESOURCES

Resources will be provided on an as-needed basis.

### TO APPLY

Applications are due by Wednesday, January 12<sup>th</sup>, 2022. Applicants should complete the [Research Group Member Application](#) and submit a curriculum vitae to [secretary@aatd.org](mailto:secretary@aatd.org). Selected individuals will be notified by February 1, 2022. Please direct questions to [Lindsey.Eberman@indstate.edu](mailto:Lindsey.Eberman@indstate.edu).
