

WORK GROUP CHARTER

WORK GROUP TITLE: Scholarship in Healthcare Education Planning Work Group

WORK GROUP COMPOSITION: We are seeking 3 to 4 members; and currently have one chair, Stacy Walker

BACKGROUND

The AATE will sponsor the Scholarship in Healthcare Education AATE Symposium Series, a dependable virtual outlet for educators and clinical scholars to disseminate their scholarship. The Symposium sessions and subsequent #AATEConversations create a community of learners around teaching and learning in healthcare education. Our aim is to promote application of these scholarly endeavors in education to effect change. The Symposium series will highlight the scholarship of discovery, integration, application, and teaching and learning through our events in April and October annually. The Symposium series will highlight the scholarship of teaching and learning through the presentation of post-professional student scholarly products, resultant of their educational experiences. We seek people interested in creating sustainable series.

SCOPE OF WORK

The Scholarship in Healthcare Education Planning Work Group will:

1. Develop and a virtual program for abstract solicitation and submission, peer review, and delivery of programming pertaining to scholarship in healthcare education.
